

Bacon Vinaigrette

Ingredients

- 2 tablespoons vinegar (sherry vinegar is great for this but any will do)
- 2 tablespoon whole grain mustard
- 3 tablespoons bacon fat, warm so that it's liquified
- 2 tablespoons neutral oil like canola or grapeseed

Instructions

Combine the two fats. If you're using a bowl whisk together the vinegar and mustard and slowly drizzle in, while whisking, the combined oil and bacon fat. On the other hand you can just eye ball all the ingredients into a squeeze bottle and shake the heck out of it.
